Hi Della,

I got an email from Sharon (from Barnstable) that she will need us tomorrow....I am going to go straight from my house. If you are going to work first...I had asked Dan to get the GC/MS in case you needed it...so it should be all ready for you...I wasn't sure if you had gotten it before..I didn't even want to attempt to look through your boxes of stuff for court...it scares me! ahaha

See you tomorrow,  
Kate
